BAITING BOERS AND THE AMERICAN HYENA

In the war for Congress and for Governor the Democratic organ has ranked as a champion of everybody which has hurled back reproach for reproach and counter-charge for charge. Regardless of the consequences to the party whenever the leader or the party organ has seen fit to bring against the administration of the present city government a long series of charges, which, if true, would have made it impossible for any decent man to support the ticket, the Democratic organ has always stood by its guns and refused to retract a single charge. It has even gone so far as to say that it would not withdraw a single charge if it were proved to be false. It has declared that it would not withdraw a single charge if it were proved to be false. It has declared that it would not withdraw a single charge if it were proved to be false. It has declared

or enough of both to prove to any woman its wonderful dirt-removing and labor-saving qualities. Costs almost nothing, but makes the dirt jump. Does it hurt the hands or clothing? NO; it is harmless. Many millions of packages used every year—as every one knows, but many women write: cannot get along without Pearline.

Caution. Beware of peddlers and some unscrupulous grocers who, to make more profit, may offer you imitations which they claim are "the same as" or "just as good as" Pearline. IT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearline, or "the same," you are honest—send it back. 579 JAMES PYLE, New York.

WILL MEN FLY?

"I say, Mary, do you think men will ever fly?" asked John, turning from a paragraph on the subject.

"I can't say as to that," replied Mary, "but ever since using Dr. Pierce's Favorite Prescription I feel light enough to fly. It lifted such a dragging weight from me with the pain that tortured every step. I think that medicine the best to make a woman's troubles fly."

WARRANTED. The famous medicine, so gratefully extolled by, is the only medicine for the ailments and weaknesses peculiar to women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money paid for it will be refunded.
